BUSINESS MANAGEMENT**
COURSE BROCHURE

Diploma in Business Management

The one-year Diploma in Business Management offered by Cyrxy College will provide students with a broad knowledge of routine skills, techniques and practices of business management. This course will also enable students to understand complex business ideas and summarize them in an organized manner. The specially designed structure of the course will also allow students to improve their business communication skills, their cognitive ability and also the behavioral patterns in the organization. Students will also learn accounting and statistical techniques and get an insight into the principles and functions of business management.

After the completion of the course, students now in supervisory roles in business management will have the capability to understand organizational behavior, strategic management, economics, accounting practices and many other important and significant areas of business management.

They would also be able to develop and implement their business venture successfully.
