COURSE BROCHURE

Master of Business Administration (MBA)

The Master of Business Administration (MBA) programme offered by Cyryx College is an innovative program designed to cater both working individuals and full-time students to help them achieve what they dream off. With over 24 years of experience in the education, we have designed a curriculum that will include both theories and practical experiences to give students rich insights into the complex and constantly changing economic world, with an enhanced level of reading required for research and the broad understanding of the topic.

By choosing to study MBA, you are choosing to reach a comfort zone in the job market and also choosing to give yourself a personal challenge and a different perspective in the subject, which in the end will leave you empowered and driven. The programme also encourages strategic thinking and the understanding of the 'bigger picture' by giving students the chance to deepen their technical

expertise, analytical ability and improve their communication. All in all, this one-year programme is a beneficial investment for any student's future that is set to reach up for a manager's role in the business industry.
