

DIPLOMA IN PRIMARY EDUCATION

(1 YEAR)

COURSE BROCHURE

Diploma in Primary Education

This is a specialized course for preparing teachers for primary level education. This is developed catering to the need of the increasing demand for trained manpower in primary educational institutions. It is a great option if you are interested in a teaching career. The programme has been designed to provide a comprehensive view of the theoretical as well as practical aspects of primary school education in the existing and emerging educational scenario.

Students will complete units in learning areas like language and literacy, Dhivehi & Islam, Mathematics, Science and Environmental studies. They will study learning theories for primary school children, curriculum development and implementation.

ENTRY CRITERIA

Successful completion of Higher Secondary Education OR

Attainment of a Level 4 qualification in a related field OR

Attainment of a Level 4 Foundation Study Program approved for the specific Diploma program.

Completion of a Level 4 qualification (unrelated), and successful completion of an Cyryx University Preparation Program OR
