MASTER OF EDUCATION (LEADERSHIP AND MANAGEMENT)

COURSE OUTLINE

DURATION 1 YEAR

The Master of Education (MEd) programme is designed for educators and educationalists who are looking to take the next step in their career or who wish to gain and explore advanced knowledge in the field of education. The Master of Education in Leadership and Management is designed to prepare the students for leadership and management roles in schools, or those seeking leadership and policy making roles at national level institutions of the education sector. This MEd programme helps students become conversant with the essence of policy and planning of education, and educational leadership and management, so that they can aspire to assume responsible positions in the education sector.
