

CERTIFICATE III IN **FORENSIC PSYCHOLOGY**

COURSE BROCHURE

Certificate III in Forensic Psychology

Our Forensic Psychology Certificate III course covers numerous units on explanations of criminal behaviour including biological, psychological profiling, criminology and the legal system. Risk factors associated with criminal activity are also covered as well as abnormal behaviour.

The course will also look at why criminals commit crime and the reasons behind criminal behaviour.

The course is designed to give students a strong knowledge of forensic psychology for anyone looking to, or currently working in, law enforcement. This forensic psychology course can better equip security and police forces as well as anyone interested in criminology with an understanding of criminal behaviour.
