

**DIPLOMA IN
ACCOUNTING AND FINANCE**
COURSE BROCHURE

Diploma in Accounting & Finance

The one-year Diploma in Accounting and Finances offered by Cyryx College is an ideal choice for those students who have just finished their secondary education and planning to venture into the field of finances? This program provides students with an insight into the various accounting perspectives and concepts. This course will enable students to understand the details of cost accounting which deals with methods, principles and techniques.

Students will also be able to analyze financial statements and would be able to gain insight into the various ratios. They would also be able to prepare various financial statements. After the completion of this course students will have acquired knowledge on various subjects which include management accounting, cost accounting, financial management, advanced financial management and financial accounting. Most importantly, students will get an overview of the audit

function and will be aware of the auditor's responsibility to consider fraud and error in the audit of financial statements.
